

Measures starting January 6

The government has set rules to stop the spread of the coronavirus. Follow these rules. This way, you will avoid becoming ill or making others ill. The police might check whether you abide by the rules.

Please note: some cities and municipalities will also have extra rules in place. Check the website of your city or municipality.

Tips for a safe autumn and winter

- Get vaccinated.
- Keep a distance of 1.5 m from other people.
- Wear a face mask.
- Ventilate well by opening the windows.
- Take a self-test regularly.
- Pay attention to vulnerable people. For example: people over 65 years old, people with heart, lung or kidney problems and people who are prone to infections.

Covid Safe Ticket (CST)

- In some places you need a Covid Safe Ticket, for example:
 - In cafes or restaurants
